Casually,  
Comfortable to fit.

Comfort that fits each person's body.  
Light and precise functions.  
Cushioning are added to firmly support  
the posture of worker concentration  
and relaxation.

At any workplace,  
For any task.

A wide variety of variations can be  
used at any workplace and scene as a  
new generation task chair.

For a design and work-  
place that touches  
worker's sensibilities.

The back frame is wrapped in colorful  
upholstery, and enhance the interior  
design in every detail.  
Nort fits into a casual and modern  
workplace.

Helps worker's high performance besides interior design

Excellent functionality and design that can be seated create a high quality of comfort for a long time.

**Ankle Movement & Synchronized Rocking**

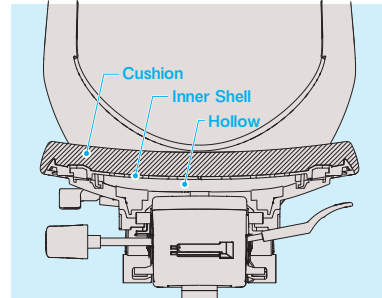

Back and seat tilt up to 20 degrees in the ideal angle, with the ankle serving as fulcrum. The locking angle comes with a seat angle stopper that can be fixed at your favorite location.

**Seat Depth Adjustment**

The seat can be adjusted to desired position with a stroke of 50mm (16.7mm pitch) by operation the lever.

**Flexible Bending Seat**

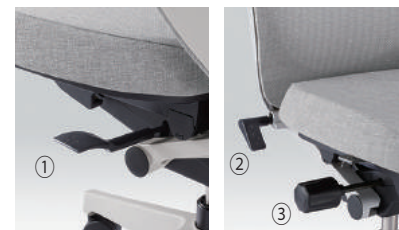

The inner shell, core material: polypropylene resin, of the seat has a number of slits so that the optimum location can flex freely depending on the seating load. It delivers a comfortable sitting to fit your body.

**Lumbar Support**

The mesh tension around the waist is strengthened to support the waist by Lumbar Support, reducing the strain on the waist by the upholstery. It can be moved up and down 50mm and the support height can be adjusted to your favorable position. \*\*Lumbar Support Type Only.

**Chair Adjustment**

- ① Seat Height Lift lever up to raise or lower adjust the seat height.
- ② Reclining Limiter Lift lever up to fix the reclining angle.
- ③ Posture Adjustment Turn knob to adjust the strength of reclining according to your physique and taste.

**Harmonized Design at Office Space**

The resin back frame is wrapped with fabric to enhance the interior. Provides highly stretchable mesh fabric that fits your body, and a wide variety of colors are available for more coordination at office space.
