

FLOS

Noctambule F1 High Cylinder and Cone Small Base - Specification Sheet by Konstantin Grcic, 2019

Mounting	Free Standing
Lamp (Bulb) Description	36W 1174lm -2700K CRI90
Environment	Indoor - Dry Location
Technical and Product Description	<p>Noctambule, created by renowned designer Konstantin Grcic for FLOS, is an innovative lighting system that comes in an array of artful designs. A transparent hand-blown glass cylinder, surrounded on both top and bottom by discrete LED technology, is the foundation of this product. The fixtures built from these units form columns of light at varying heights that illuminate at the intersection between each module.</p> <p>Configurable as a hanging or standing lamp, Noctambule features additional components that allow for numerous options. The cylindrical body is available at a low and high height, and a dome- or cone-shaped head can be selected if a more direct light source is desired. Dimming capabilities can be configured in the power supply unit within the ceiling rose, or as a pedal-operated panel on the power cord.</p>

 F0265000

Dimensional Image

Electrical

Voltage	100-240V
Switching	Foot Dimmer switch that provide ON-OFF functions and 10-100% light adjustment with memory
IP Rating	IP20

Physical

Cord Length (inches)	78.74"
Construction Material	Die-cast aluminum, Blown crystal
Weight	30.9 lbs

Certifications
